

Author Copyright Form

Copyright Transfer

The Permanente Journal (TPJ) is owned, published, and copyrighted by The Permanente Federation. In the event that *TPJ* publishes my work and in consideration of the editing and publication of my work, I transfer to *TPJ* all rights, title, and interest to all parts of the written work named below. *TPJ* shall own the work, including 1) copyright; 2) the right to grant permission to republish the article in whole or in part; 3) the right to produce reprints for distribution; and 4) the right to republish the work in a collection of articles in any other mechanical or electronic format. In addition, I affirm that the work has not been previously published, is not subject to copyright or other rights except my own to be transferred to *TPJ*, and has not otherwise been submitted for publication, except under circumstances communicated to *TPJ* in writing at the time the work was submitted. (All authors must sign below. Photocopy form if necessary.)

Disclosure Statement

In accordance with the Uniform Requirements, 2005 Revision, of the International Committee of Medical Journal Editors, The Permanente Journal must ensure balance, independence, objectivity, and scientific rigor. Authors are expected to disclose to the course audience any relevant financial relationships* or other relationship that poses a potential conflict of interest. All financial or personal relationships that might bias the authors' manuscript should be listed below.

Manuscript title: _____

Author(s): _____

Please complete sections I – V

I. Do any potential conflicts of interest exist in this manuscript?

Yes No

If yes, please list the manufacturer(s) or provider(s) and describe the nature of the relationship(s)

II. Does this manuscript include a discussion of any commercial products or services?

Yes No

A. If yes, over the past twelve months have you or any member of your immediate family had relevant financial relationships or other relationships with the manufacturer(s) any of the products or provider(s) of any of the services you intend to discuss?

Yes No

If yes, please list the manufacturer(s) or provider(s) and describe the nature of the relationship(s)

III. In addition to the above, please describe all relevant relationships with commercial entities even though you will not be discussing their products or services.

Name of Corporate Organization(s)	Nature of Relationship

*Relevant financial relationships requiring disclosure include:

- ownership or part ownership of commercial entities
- membership on boards of directors or trustees, or advisory committees of commercial entities
- grants or research support from commercial entities (excludes grants from governmental or nonprofit, independent foundations)
- employee of commercial entities
- consultant for commercial entities
- 5% or greater stockholder (excludes mutual fund holdings) of commercial entities
- member of speakers bureau for commercial entities

“Conflicts of Interest” may arise when personal or financial relationships or interests interfere, or have the potential to interfere, with professional roles, responsibilities, or judgment.

IV. It is the author's responsibility to disclose any presentation of off-label uses of a product. Your signature indicates that you will disclose that information within the text of the manuscript. Do you anticipate your presentation to include discussion of any off-label uses of a product?

Yes No

If yes, please list _____

V. Patient Care Recommendation

A. Will your presentation include patient care recommendations?

Yes No

Bibliography is included as the reference section of the article.

RESEARCH STUDIES:

VI. If the manuscript involves a study conducted by the authors, the authors must list the study sponsors and the sponsors' role, if any, in study design, in the collection, analysis, and interpretation of data; in the writing of the report; and in the decision to submit the report for publication. If this submission involves a study, please list study sponsors and their role(s).

Sponsor	Role

VII. If the study was funded by an agency with a proprietary or financial interest in the outcome, please confirm if the following statement is correct:

I had full access to all of the data in this study and I take complete responsibility for the integrity of the data and the accuracy of the data analysis.

Agree Disagree

VIII. When reporting experiments on human subjects, authors should indicate whether the procedures followed were in accordance with the ethical standards of the responsible committee on human experimentation (institutional and national) and with the Helsinki Declaration of 1975, as revised in 2000. If there is doubt as to whether or not the research was conducted in accordance with the Helsinki Declaration, please explain the rationale for your approach and demonstrate that the institutional review board explicitly approved the doubtful aspects of the study. (Please attach a copy of the Institutional Review Board approval.)

This study conforms to the Helsinki Declaration of 1975, as revised in 2000.

Agree Disagree

If "Disagree," please attach on a separate page the rationale.

This form must be completed by all participating authors of each manuscript. Typing your name here qualifies as your signature.
