

# KAISER PERMANENTE NATIONAL CME PROGRAM

## CME WORKSHEET FOR *The Permanente Journal* MANUSCRIPT REVIEW

Articles must be original contributions to the medical literature and reviewed by multiple reviewers in order for any reviewer to receive CME credit for manuscript review; however, not all reviewers need to apply for/receive CME credit. Only the types of articles indicated below are eligible for CME credit.

All individuals wishing to receive CME credit for manuscript review must **complete all sections** of this form. **This form has been adapted to be fillable and saveable.** Return this form to the CME office of *The Permanente Journal* at [permanente.journal@kp.org](mailto:permanente.journal@kp.org). After editorial review, the form and your review comments will be forwarded to the KP National CME Office (all comments will be kept confidential). Once the process is satisfactorily completed, you will be eligible to receive **3 AMA PRA Category 1 Credits™** for this review. A CME certificate will be e-mailed to you within 4-6 weeks of receipt of complete documentation by the CME office.

\*\*\*

The Kaiser Permanente National CME Program is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Kaiser Permanente National CME Program designates this manuscript review activity for **3 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

\*\*\*

Note: physicians may receive a yearly maximum of 15 AMA PRA Category 1 Credits™ for manuscript review.
