

### How to Use This Document

This form is for author reference purposes only. Authors must attest that they have written informed consent on file in accordance with their institution's storage and retention policy. In cases where authors do not have an informed consent form through their institution, authors may consider using *The Permanente Journal's* sample informed consent form. Informed consent forms involve confidential patient data; do **not** submit this form with your manuscript.

### Patient Consent Form

Consent for Publication of Identifying Material in journals or other materials published by *The Permanente Journal*

Name of person described in article or shown in photograph: \_\_\_\_\_

Journal name: \_\_\_\_\_

Manuscript number (if available): \_\_\_\_\_

Title of article: \_\_\_\_\_

Corresponding author: \_\_\_\_\_

I give my permission for the material described above ("the Material") to appear in The Permanente Journal and for The Permanente Journal to grant permission to third parties to reproduce this material. I understand that:

- The Material may be published on *The Permanente Journal's* website and/or The Permanente Federation's website for worldwide distribution
- My name will not be published, but anonymity cannot be guaranteed; it is possible that someone may recognize me from the images and/or accompanying content
- The Material may also be used in full or in part in other publications and products published by The Permanente Federation, including publication in English and in translation, in print, in electronic formats and social media, and in any other format that may be used by The Permanente Federation.
- I grant and release to The Permanente Federation all rights, title, and interest that I may have in the Material. I understand that I will not receive, and am giving up any claim to receive, any payment or royalties in connection with the use of the Material
- The Material may be edited, modified, and retouched

- I can revoke my consent at any time before publication, but once the Material has been committed to publication (“accepted and assigned to an issue”), it will not be possible to revoke the consent.

**Please check the appropriate box after reading each statement.**

I have read the manuscript or a general description of what the manuscript contains and reviewed all elements (images: photographs or illustrations, or videos) in which I am included that will be published.

I have been offered the opportunity to read the manuscript and to see all of the elements as described above in which I am included, but I waive my right to do so.

PATIENT: Signed \_\_\_\_\_ Date \_\_\_\_\_  
Typing your name here qualifies as your signature.

Print name \_\_\_\_\_

If you are granting permission on behalf of another person, what is your relationship to that person?
