This is an exclusive publishing license between *The Permanente Journal* (the “Journal”), published by **The Permanente Federation LLC** (the “Federation”), and the author(s) of the above-referenced article (“**The Work**”).

Please select one:

- I am the sole author on The Work.
- I am authorized to sign and submit this form on behalf of all coauthors.  
*All authors must be named at the time of submission. Changes to author lineup must be approved by all authors and Editor-in-Chief. All authors must be made aware that this form is being signed on their behalf.*
- I am an employee or work as a contractor on the behalf of of the United States government, and The Work was produced as part of my employment.
- I and/or one of my coauthors are employed by or work as a contractor on the behalf of the government of one of the following nations under which Crown Copyright applies:
  - Australia
  - Canada
  - United Kingdom
- I am employed by or work as a contractor on behalf of the government of the United States, Australia, Canada, or the United Kingdom, but my work does not fall under the Public Domain and/or Crown Copyright.  
*Please explain:*

Please carefully review the terms of the Publishing License, sign, and submit to *The Permanente Journal* staff. Failure to do so will result in delays in publishing The Work, and/or may result in a decision to not publish The Work.

In consideration for the Federation undertaking to publish The Work in the Journal, I hereby agree on behalf of myself and all coauthors to all stated terms included in this publishing license agreement.

For purposes of this Agreement, the Work is considered to include all material submitted for publication, including, without limitation, the text, figures, tables, author contact details and all supplementary material (e.g., video clips and photographs) accompanying the article, without prejudice to the terms of this Agreement.

I hereby represent and warrant that:

- Original content.**  
All portions of the Work are my (or a co-author's) original creation for which I, or my co-author, have obtained all necessary consents for the use, distribution, and publication of such materials;
- Support from Federation's service providers.**  
I understand and acknowledge that the exclusive rights granted herein may be exercised by the Federation or its publication services provider, currently **Technica Editorial** ("the Publication Services Provider"), acting at the direction of the Federation. In addition, I assign and grant to **the Federation**, its successors, and assigns, and those acting with **the Federation's** authority and permission, the unrestricted right and permission to use my name, likeness, and biographical material, and that of my co-authors, in connection with the Work, in any and all manner and media throughout the world in perpetuity;
- Permissions received.**  
For any portions of the Work that are *not* my (or a co-author's) original creation and for which copyright is held by a third party, an appropriate permission grant from the copyright holder has been furnished to the Journal providing at minimum for reuse in a digital format, in the English language, for worldwide distribution, and that any incurred fees resulting from such permission grant(s) are the author(s)' responsibility;
- No duplicate publication. No simultaneous submission.**  
I have not granted other parties any rights in or to the Work, which are inconsistent with the rights herein granted to the Federation and I will not submit it for publication, nor is it currently under consideration for publication, elsewhere while it is under consideration by the Federation;
- Research and data integrity.**  
The content of the Work is accurate to the best of my knowledge, does not violate any copyright, proprietary or personal rights of others, and does not contain anything that is defamatory or illegal. Any and all research presented in the Work was done according to best practices with regard to data and research integrity, and all results communicated are fair, unadulterated, and appropriate based on the research that was carried out;

- No undisclosed conflict of interest or financial disclosures.**  
No financial conflict of interest exists with any commercial entity whose products or services are described, reviewed, evaluated or compared in the Work, except for those disclosed under “Acknowledgements”;
- Exclusive license.**  
I hereby grant the Federation an exclusive license to publish and distribute the work, including all of its associated components, worldwide, in the English language, in digital format. I also grant the Federation the exclusive right to publish reprints of the work in the printed medium as well as any other media now known or later to exist. I hereby grant the Federation the exclusive right to translate the Work into other languages in addition to English;
- Creative commons and copyright ownership.**  
Unless otherwise noted, such as due to Crown Copyright or public domain, I and any other author(s) shall retain the copyright to the Work. I and the other author(s) agree to apply the terms of a Creative Commons CC-BY-NC-ND license to other third-party users of the Work;
- Notice of copyright.**  
Appropriate copyright notices shall be present on all final publication outputs, as “© The Authors” or similar;
- Conflict of interest.**  
I and the other authors agree to furnish to the Journal a completed copy of the Journal’s conflict of interest form detailing potential conflicts, including financial and non-financial conflicts;
- Informed consent.**  
I and the other authors agree to attest to having receipt of informed consent related to reports based in whole or in part on human participants in research, and that the Work is in compliance with all relevant publisher policies regarding informed consent;
- Indemnification.**  
I hereby indemnify and hold harmless the Federation, the Publication Services Provider, and their respective officers, directors, editors, members, employees and agents from and against any and all claims, losses, demands, costs (including reasonable attorneys’ fees), and other expenses arising from the inaccuracy or breach of any of the aforementioned representations and warranties;
- Compliance for authors from countries for which the United States has issued trade sanctions.**  
None of the authors is from a country against whom the United States has issued trade sanctions nor is a Specially Designated National subject to sanctions or trade restrictions.

If one or more author(s) listed is from a country against whom the United States has issued trade sanctions, I hereby agree to furnish this information in writing to

[tpi@kp.org](mailto:tpi@kp.org) at the time of submitting this agreement, and that authorship activities by that person or those persons have been conducted on a personal basis and/or on behalf of a university, whether or not that university is government-supported;

**No obligation to publish.**

I understand and acknowledge that the Federation undertakes no obligation to publish the Work. If the Work, in whole or in part, or any derivative work prepared therefrom, is published, the Federation will acknowledge the contribution of my co-authors and me, but we will receive no compensation and no other benefit with respect to the Work. The Federation will return all rights herein granted by my co-authors and me upon written request if the Work is not published within eighteen (18) months of the date of this Author Agreement;

**Author proofs.**

I understand that the Federation will give my co-authors and me, through me as corresponding author, the opportunity to read and correct an edited version of the Work prior to publication; provided, however, that if we fail to return our corrections to the Journal editor by the date he or she sets, final editing, production and publication may proceed without our corrections and we will be responsible for any errors; and

**Authority to act on behalf of co-authors.**

As the corresponding author of the Work, I have full authority to act on behalf of the other authors in any matter arising from this Author Agreement, including, but not limited to, review and approval of the edited Work.
